Family Worship

One generation shall commend your works to another,
and shall declare your mighty acts. Psalm 145:4

*Beginning April 1st, we will open all childcare rooms **after** the congregation worships together. Continue to check-in your family when you arrive and then bring your child(ren) to their rooms during the fellowship time. PreK-5th grade will continue to be dismissed to their teachers at the side sanctuary doors. Volunteers still check in to Rooms 1-4 at 9:45am.*

Coming Soon...

Our hallway is getting a facelift! We will be installing two new self check-in stations on the wall to make the process easier and faster. We are asking all of our active families to use the self check-in stations so the greeter is available to help any new families visiting. Thank you!

Super excited to announce that The King's Chapel will offer CPR training this spring. The King's Kids volunteers will be required to take either a free two hour Citizen's CPR (non-certification) class or take the \$32 4 hour Certification Class. This training will cover adult, child and infant CPR as well as what to do if someone is having a seizure and how to use an Epi-Pen. Our own Tim Fairchild, Paramedic Lieutenant, Fairfax County Fire and Rescue and Certified CPR Instructor will be running these classes for The King's Chapel. Please keep a look out for an email with specific dates and times to sign up. Your child's safety is PRIORITY #1 at TKC!
