What is my child learning on Sunday morning?

Using the Gospel Project curriculum this summer, we are getting to know Jesus the Storyteller (parables) and Jesus the Miracle Worker (miracles). Our King's Kids teachers work hard each week to draw your kids into God's word, the Bible. Make sure you ask them "What did you learn today?" and work on their unit memory verse! We use the ESV translation.

June/July-Mark 6:34; July-John 20:31; August-Psalm 103:2-3.

We are so excited to announce that we are starting the first ever **King's Kids Choir** this fall led by Pastor Marty Reeve and Annie Wedemeyer. **We are now opening it up to 2nd through 8th graders!**

The initial goals for this time together are: *Sing and match pitch; Sing 2 or 3 part rounds; Read and count rhythms; Read treble clef music; Read and sing an octavo with 2 written parts; Purchase, practice and play a soprano recorder (instruction book provided) and Memorize Scripture that reminds us of our duty and privilege to praise and worship the Lord!*

If you have a **rising 2nd-8th grader**, we need your input! Would your family like to be a part of this group and participate in a weekly practice throughout the school year and participate in a few performances? **Make your voice heard [HERE](#) or go**

to the church website and find the King's Choir Interest Survey!

- Where children come to know Jesus as their Savior and grow in relationship with Him.
- Where parents gain encouragement and support in Godly parenting.
- Where families want to bring their OIKOS - those families God has strategically placed in their world so those families might know His love and plan for them.

Children are a gift
from the Lord,
they are a reward
from Him.
Psalm 127:3

Our King's Kids program is fantastic due to the amazing group of volunteers that give of their time and talents. Although all parents of babies - middle schoolers are required to serve, each August, we look to add new faces and friends to the team. Safety first - all volunteers must fill out an application and adults 18 & up must have a background check and take an online training class. If you know of someone, please ask them to get in touch with Chelsea Merchant, our Schedule Coordinator at nurserytkc@gmail.com.
